“The SPICE Game was the best part of the presentation – extremely helpful! Debra was a wonderful presenter. The activities of getting up and moving around was a positive experience.”

Charlaine McKenzie

Supervising Investigator, Dept. of Consumer Affairs

“Great information that I will definitely use in my professional and personal life. Dr. D was a terrific instructor – welcoming, warm, not threatening, and incredibly knowledgeable.”

Lawrence T. Parker, Sr.

Executive Officer, US Marine Corps

“I gained much more than I expected...excellent training!”

Jason Moore

Director, Congressman Juan Vargas

Experienced instructor with a great ability to engage the students. Plus, applicable examples to help facilitate success after the class.

Julie Ambrose

Vice President, San Diego Property Management

Debra was great!!! I really learned a lot – will highly recommend.

Ann Gruetzmacher

Account Manager, Target Solutions

Debra did a fantastic job with this workshop! Communication would be a tough subject to teach because you could easily be critical of the instructor with their own practices. Debra lead this class by example and was a perfect model to take after. The teachings were very valuable and practical!

Dan Foster

Account Representative, Nielsen Company

My manager took this class a few months ago. He is using what he learned and it is making it easier to work with him!

Kenneth Hutton

Market Supervisor, Nielsen Company

Debra was great and gave excellent tips!

David Sharpe

National Accounts Manager, LOTA USA LLC

Great presentation and deep knowledge of the brain and psychology of people.

Mary Johnson

Executive Assistant, Doctors Company

It was a great workshop – surpassed my expectations. Dr. Dupree was very engaging and informative. Well done!

Joseph Stransky

Electronic Mechanic, Department of Defense

Dr. Dupree did an excellent job with a difficult subject. Very knowledgeable. Class had a good flow.

Blanca Alvarez

Account Services Supervisor, Kaiser Permanente

Dr. Debra Dupree has been the best program leader in my four classes I have attended. I am very pleased with the skills taught. Thank you, Debra!

Ligaya Sanchez Chan

Staff Support, Western University of Health Sciences

Excellent workshop! Would be great to create a management level course on “How to Manage” individuals and importance of emotional intelligence in the workplace. Great experience that I hope to incorporate into my work environment. Thank you!

Nicki Sparks

Engineer, Syska Hennessy Group

The content was wonderful. However, one of the best things was that Debra would thank the participants for their contributions and insights. This allowed me to feel that I could contribute or speak up and under no circumstance would it not be well received.

Heather Walton

Tax Associate, Sempra Energy

Debra was very helpful with teaching us skills in communication, very inviting and happy-go-lucky. I think this class will help me at work and at home. Like the way to put yourself out there, say hi and smile, breathe and be confident in assertive communication.

Hannah Close

Client Services Representative, Target Solutions

Debra is a great communicator and an awesome instructor. She learned everyone's name. She made the seminar a personal experience which made it interesting. She is obviously very smart but also a great example as a communicator. I would recommend her to anyone.

Ashley Cole

Account Manager, Target Solutions

I have attended many SkillPath training courses – Debra was very engaging. Her knowledge about the subject was 100% and she actually practiced what she preached. This is extremely important to me because it puts confidence in me when I need to be better at communicating.

Allison Koba

Pharmacy Technician, Western University of Health Sciences

I came in with no expectations but I've learned so much about myself and also how to effectively communicate with others. The info will be very applicable for the future.
